Prasad Engineering & Fabricators

Build a stronger Product

Prasad Engineering & Fabricators was founded by **Mr. Dilip Prasad** in 1998.

PE&F Contracting is one of the leading Contractors in Pune & Gujrat Directed by highly qualified, experienced and Technical Team.

The company achieved its position in the core of contracting business in the Pune & Gujrat over a short span of time through highly skilled team of workers and professional.

Apart from the contracting business We have stablished our own Plant in Talwade MIDC, Pune in 2023. We have developed our in-house capacity to build the product in our plant & install at customer site.

To provide a level of service that will exceed the expectations of our clients. Maintain the highest level of quality and allow our employees the opportunity to grow and prosper. To instill confidence with all parties by professionally managing all aspects of the project whether it is large or small.

The core of our company is to act with integrity in all our interactions, to provide our clients with real value gained from our experiences. Our vision is to maintain and develop our presence as a leading company in the market, whose reputation built on trust that we provide our clients with high quality and efficient service through skilled Man Power.
